

**General Construction:** Heavy duty dayroom table featuring all steel construction, fully welded and ground smooth. Choose from our seat and top configurations along with finish options to get just the right table for your facility. This unit is commonly found in dayrooms, group cells, and other multiple occupancy areas.

**Seat & Table Tops:** Circular one piece 14 gauge stainless steel gets welded evenly to a mild steel backing plate increasing support.

**Tube Supports:** 2.5" diameter x 14 gauge round tube formed and fully welded to mounting plates with holes to accept table and seat top threaded studs. concealed mounting plate (x1) each leg with 9/16" diameter hole for 3/8" anchor. ( floor anchors not included in purchase )

**Finish:** Powder coating: Durable and long lasting. Please refer to Viking Products standard color chart for options.

**Primer:** Shop applied red or gray oxide. Short term protection.

**Stainless steel tops:** #4 finish.

**Assembly:** Ships knocked down for field assembly. No field welding required. (tack weld nuts after assembly optional)

**Shipping:** Arranged by Viking Products based on final scope of work.

**Warranty:** 1 year warranty (from date of final completion) against poor construction or manufacturer defect. This does not warrant against abuse or product tampering.
